Third International Workshop on Effective Engineering Education (IWEEE 2017)

Next Generation Connectivity: Future of Information and Transportation Infrastructures

December 6-7, 2017

Schedule

December 6, 2017

13:00 ~13:45 Opening Ceremony (Meeting Room A; 会議室 A)
1) Welcome Speech: *Prof. Masatoshi Tokita, Vice President and Director of International Exchange Center, National Institute of Technology, Kisarazu College, Japan*
2) Inaugural Speech and Presentation: *Prof. Kazuo Maeno, President National Institute of Technology Kisarazu College, Japan,* (Presentation theme: Involvement of NIT, Kisarazu College in CDIO initiatives for Effective Engineering education)
Break
14:00 ~15:00 Session I   (Meeting Room A; 会議室 A)
3) Engineering education system in Myanmar and status of information and transportation infrastructure: *Prof. Phyoe Wai Htun, Mandalay Technological University, Mandalay, Myanmar*
4) Engineering education system in Kazakhstan and status of information and transportation infrastructure: *Prof. Shakhmov Zhanbolat, Eurasian National University, Astana, Kazakhstan*
Break
15:15 ~16:30 Session II   (Meeting Room A, 会議室 A)
5) Status and Challenges transportation connectivity in Nepal : *Dr. Netra Prakash Bhandary, Ehime University, Japan*
6)Flood management issues in the city of Astana: *Aliya Syrgaliyeva, Eurasian National University, Astana, Kazakhstan*
7) Information Security education across the multiple disciplines: *Dr. Keiichi Yonemura, National Institute of Technology, Kisarazu College, Kisarazu, Japan*
16:30 ~17:00 Panel Discussions (Meeting Room A, 会議室 A)

December 7, 2017

11:00 ~12:00 Session III (Multipurpose Room A; 多目的室 A)
1) Educational Activities of Sekolah Sultan Alam Shah School of Malaysia, *Prof. Chin Siew Siew, Professor, Sekolah Sultan Alam Shah School, Putrajaya, Malaysia*
2) Professional and academic activities of civil engineering department of Eurasian National University, *Altanay Shamkhatova, Eurasian National University, Astana, Kazakhstan*
3) Information infrastructure in developing countries: Potential contribution of tiny and affordable computers, *Taisuke Fukuno, President, Jig.jp Corporation, Fukui, Japan*

Break

13:00~14:30 Poster Sessions (Information Room; インフォメーションルーム(一般研究棟地階))
13:10- 14:30 Group A (List of Group A & B Presentations will be announced at 13:00)
14:40- 16:00 Group B
16:00~16:20 Closing Ceremony (Information Room; インフォメーションルーム(一般研究棟地階))
